BCBA is an ALL VOLUNTEER nonprofit organization (Community Boxing Center, Inc.) devoted to providing quality sport and fitness programs to the community in which it operates. Since 2004 BCBA has been serving Long Island's youth by providing them with a clean, safe and structured facility that offers well-rounded programs designed to give kids the skills they'll need to become Champions In Life! Your support of BCBA and its programs is essential for it to continue doing the great work it does.
