Devin Bramble, a rising star in the New York comedy scene, is bringing his unique brand of humor to **Manzi Hall** along with his quick wit and hilarious observations, Devin is sure to keep the crowd entertained. But he's not stopping there, Devin is on a mission to bring a diverse lineup of both up-and-coming comedians and seasoned headliners to the stage at Manzi Hall, ensuring an entire evening of hilarious comedy. Appearing on his first Showcase will be **four talented and very funny friends Nick Tardo, Lauren Festa, Chris Bias, and Johnny McDonald.**

Mark your calendars because **Devin Brambles' Comedy Showcase** will be lighting up the stage at **Manzi Hall Wednesday September 25th**. *"There is so much talent out here. I am honored to be able to provide my fellow comedians with stage time in this new, affordable, and beautiful venue," Devin Bramble said.*

In addition, waitress service is provided for all VIP table guests. General admission floor seating is \$20 and a Pub and Dessert Menu is available for all.

All proceeds from the event support St. Peter & St. Paul's Church and BCBA, a local all-volunteer non-profit dedicated to providing free fitness and wellness training to Veterans within the community. *"People are struggling right now, money is tight. It was important that we built a venue that's not only affordable to enjoy but provides local talent with a stage and proper setting where they can perform," states Ray Bettinelli, Head Coach at BCBA and Host at Manzi Hall.*
