

Patriots Marketplace Set to Launch at Veterans Memorial Garden at Manzi Hall — A Family-Friendly Celebration of Faith, Patriotism, and Community

Copiatague, NY — The next chapter of spirit, service, and celebration begins as the ***Patriots Marketplace*** makes its debut on **Saturday, November 8th**, from **10:00 a.m. to 4:00 p.m.** at the newly constructed **Veterans Memorial Garden at Manzi Hall**, located at **67 Scudder Avenue, Copiatague, NY**.

This **indoor/outdoor community event** is the latest project from **BCBA** (BCBA.info) at **St. Peter & St. Paul's Church** (StPeterStPauls.org), following the successful renovation of **Manzi Memorial Fellowship Hall** and the recent construction of the **Veterans Memorial Garden**, their living tribute to our nation's heroes.

The ***Patriots Marketplace*** event is free to enter and promises to bring **faith, patriotism, and community** together while providing fun for the entire family.

Local **vendors and crafters** will be set up outdoors in their 10x10 tents, offering handcrafted goods, unique merchandise, and specialty items. Inside **Manzi Hall**, local **service-oriented vendors** will share valuable resources and services for residents of all ages.

SPECIAL HIGHLIGHTS INCLUDE:

- **Lou Telano**, President of the [New York Veteran Police Association](#), will make a special appearance inside Manzi Hall for a **presentation and book signing**. A **decorated NYPD detective and sheriff**, Lou's career helped inspire the iconic television show ***Starsky & Hutch***.
- Local **veteran advocate Frank Romeo**, a BCBA associate and subject of the award-winning documentary [Walk With Frank](#), will speak on the **urgent needs facing our veteran community** today.
- [The America First Warehouse](#) will be on hand outside along with their partners **The America First Warehouse Ultra MAGA Store** selling their **patriotic gear**, and visitors can tour the **TAFW Travel Van**, a mobile salute to American pride.

The event begins at **10:00 a.m.** To kick things off there will be both an **outdoor and indoor invocation by Bishop Raimondi of St. Peter & St. Paul's Church**, followed by a stirring rendition of the **National Anthem performed by local singer/talent/entertainer Pamela Lee**.

With **food, music, vendors, and activities for all ages**, ***Patriots Marketplace*** offers a unique spirit of celebration and community engagement in a space built to honor those who served while uplifting those in need.
